I love Jane Austen.

I LOVE Jane Austen.

I LOVE JANE AUSTEN!!

I still twitch a bit, but I'm getting more and more man-comfortable saying that because there no denying that itâ€™s true. Normally, I am not much of a soapy, chick-flick, mani-pedi kinda guy. I donâ€™t spritz my wine, rarely eat quiche and have never had anything waxed (though the list of things that need it grows by the hour).

Jane Austen's first published work,

, published in 1811, is more straightforward than most of her later works. The story focuses on two sisters, ages 17 and 19, and how their romantic interests and relationships epitomize their different approaches to life. The older sister Elinor embodies sense, good judgment and discretion.

Her sister Marianne is emotional and volatile, following her heart with a supreme disregard for what society might "and does" think.

Elinor is pretty much always right.

Marianne's parade gets rained on, in more ways than one.

Although at most points in this novel Austen seems to be saying

This is one of my all-time favorite books. I like it even more than I do Pride and Prejudice.

Everyone goes crazy over Lizzie Bennett and idolizes her, but my role model will always be Elinor Dashwood. She is a great sister, a trustworthy confidante, someone who always acts with honor and compassion. She is smart, fiscally responsible, stoic, and strong. I hate John Dashwood and want to punch him in the throat. Fucker. It surprises me each time that he is the most hated character for me in the novel.

Everyone hates on Marianne, but I like her. So she's a silly teenager! That's okay. She certainly learns and grows more than anyone else in the whole novel. She has a good heart and loves her sister dearly - I adore the scenes where she stands up for Elinor!

The loving sister relationship is one of the best things about this novel. Nothing melts my heart more than good sibling relationships. And Elinor and Marianne have each other's backs 100%. Even though their personalities couldn't be more different, their love and compassion for each other knows no bounds.

This is the third Jane Austen book I've read and it's by far my favorite. I love the story, love the heroines, love the MEN I just love everything about this. There was so much happening that it never felt slow or boring and the SUSPENSE and REVELATIONS at the end of the book were so

fantastically done. AGH JUST SO GOOD.

TIME TO GO WATCH THE MOVIE.

Reread mid-Jan to early Feb 2016 for Austentatious
