was a PURE TORTURE to read.

Amy Dunn disappears on the day of her 5th wedding anniversary. All gradually uncovered evidence suggests that her husband, Nick, is somehow involved. Did he kill her? Was she kidnapped? What happened to Amy? One thing is clear, Nick and Amy's marriage wasn't as perfect as everybody thought.

This book was just way too much fun â€œ and I mean that in a good way. Iâ€™m taking a leisurely drive down the garden path of the story, when BAM â€œ right in the middle it makes a u-turn and we are on the damn highway doing 90 miles an hour (commonly referred to as a plot twist). Sweet Mother of Mercy!

There is not much to say without the risk of giving up some detail thatâ€™s best left secret. Soooo many time I wanted to just take one little peek at the end to see what happens to Nick and Amy. But I di

This book was just way too much fun â€œ and I mean that in a good way. Iâ€™m taking a leisurely drive down the garden path of the story, when BAM â€œ right in the middle it makes a u-turn and we are on the damn highway doing 90 miles an hour (commonly referred to as a plot twist). Sweet Mother of Mercy!

There is not much to say without the risk of giving up some detail thatâ€™s best left secret. Soooo many time I wanted to just take one little peek at the end to see what happens to Nick and Amy. But I didnâ€™t. I survived the heart pounding suspense and made it to the end of a very satisfying read.

I must, must must check out more books by Ms. Flynn

The first person narrative meant being in the thoughts of 2 very sick people the whole book and it left me feeling yucky. The author portrayed the minds of sadistic, narcissistic sociopaths making it a very dark book. And for some reason, I actually didn't find anything that happened a surprise.

That made the story boring which may also have been because I didn't like or care about either of the unrepentant, unenlightened, and self absorbed characters. I just couldn't relate. Even getting some b

The first person narrative meant being in the thoughts of 2 very sick people the whole book and it left me feeling yucky. The author portrayed the minds of sadistic, narcissistic sociopaths making it a very dark book. And for some reason, I actually didn't find anything that happened a surprise.

That made the story boring which may also have been because I didn't like or care about either of the unrepentant, unenlightened, and self absorbed characters. I just couldn't relate. Even getting some background on their families didn't engender any sympathy in me for them.

It is not a satisfying read because there is no hope for these characters, no redemption, no justice for those murdered. As I said: Yucky.

Nicholas Sparks

Quite simply, this is one of the best novels of the year. It's a thriller in the best tradition of Alfred Hitchcock and layered with brilliantly written characters; it's the kind of book that's nearly impossible to put down. The surprises and twists keep the reader guessing up until the final page, and my first thought upon finishing the novel was that I wanted to read it a second time.
