What people Say:

Samantha Arias

Ok so reading other peoples reviews of this book is so funny I can't stand it. Obviously people one don't know what a thug is. A thug is NOT a black person. Wait let me repeat that. A thug is NOT a black person. Thugs come in all shapes, sizes, races, sexes, orientations, and colors!! Who knew right :) Now that we got that out of the way, the name was supposed to be kitschy and an attention grabber, get over it. Also all you people pointing out that its wrong for 2 white people to have made the

Ok so reading other peoples reviews of this book is so funny I can't stand it. Obviously people one don't know what a thug is. A thug is NOT a black person. Wait let me repeat that. A thug is NOT a black person. Thugs come in all shapes, sizes, races, sexes, orientations, and colors!! Who knew right :) Now that we got that out of the way, the name was supposed to be kitschy and an attention grabber, get over it. Also all you people pointing out that its wrong for 2 white people to have made the book. That's a bit racist of itself. Because if this book is as racist as you claim, does that mean it's ok for a black person to have made this book? And to all you f**king morons who bought this book and then complained about the cursing and language. YOU'VE GOT TO BE KIDDING ME!!!! That was the playful thing about the book. It had cursing on the cover. Their blog is COVERED in curse words. Why the f**k would you purchase this book knowing full and well you don't like foul language!! Sounds pretty stupid to me. All in all everyone is taking this book way to seriously. It's a book trying to get people more into their veggies. And onto the part that matters.....THE FOOD..... I really like the recipes. I will be incorporating quite a lot of them into my weekly meals. Can't wait to make a few for my friends and family. Yay to the book!

Awesome recipes!!!!

Dan

Yawn. Really, just yawn. Look, I don't care about people using curse words, but these folks don't even know how to use them. They're trying for some weird version of "street cred" and they come across as completely inept at it. It's as if they wrote the book in a final version with every i dotted and t crossed and all the grammar perfect, and then said, "hey, let's do a global search and replace on some words like 'things' to change it to 'shit', and everywhere we use the word 'delicious' let's

Yawn. Really, just yawn. Look, I don't care about people using curse words, but these folks don't even know how to use them. They're trying for some weird version of "street cred" and they come across as completely inept at it. It's as if they wrote the book in a final version with every i dotted and t crossed and all the grammar perfect, and then said, "hey, let's do a global search and replace on some words like 'things' to change it to 'shit', and everywhere we use the word 'delicious' let's add in the word 'fucking' in front of it". It comes across as completely formulaic and forced (as it does on their website), and it's no surprise that they were recently "outed" as a couple of whitebread yuppies just trying to make a name for themselves. It's a shame, too, because they actually have some decent recipes on the site and in the book, but the quality of those, and the underlying message for

healthy eating, just get lost in a big motherfucking pile of word shit. (See, annoying. It doesn't work when I do it either.)
