Wow! This book blew me away! I am still trying to wrap my mind around everything that transpired between the covers of this book. It was brilliant, dark, gory...and I loved every damn minute!

After finishing 'The Gypsy Brothers' series, I was not ready to let go of the characters that I had grown to love or those that I had grown to hate. I wanted more. I needed answers.

Dornan, especially, was intriguing. How did he get to be such a sadistic

Wow! This book blew me away! I am still trying to wrap my mind around everything that transpired between the covers of this book. It was brilliant, dark, gory...and I loved every damn minute!

After finishing 'The Gypsy Brothers' series, I was not ready to let go of the characters that I had grown to love or those that I had grown to hate. I wanted more. I needed answers.

Dornan, especially, was intriguing. How did he get to be such a sadistic, deranged killer? What happens to a person to turn them into that kind of monster? Lili St. Germain did a spectacular job of providing brief glimpses of Dornan's conscience, hinting at some underlying humanity, while not taking away from the fact that he was a really bad guy. Despite the fact that he was a brutal murderer, there was something about him that called to me.

Beginning the 'Cartel' series, I tried to distance myself from Mariana and John. After all, I knew how things were going to work out in the end. That was a given, if you read 'The Gypsy Brothers' first.

This is not a story with a happy ending. It is tragic. It is raw. It is absolutely heartbreaking. I knew this at the onset, but I couldn't help but be devastated when it all came to pass, just as I knew it would.

Empire

Cartel #3

By Lili St. Germain

Wow just wow amazing book- I highly recommend both series especially if you are a fan of a dark romance.

As I wrote this review I tried my best not to give away too much info.

These two had a unique relationship it's a miracle that lasted as long as they did.. At least from her part due to the fact that he was the jailer with the key to everything, her cage at home- you name it! He saved her from his father who was going sell as slave, or did he? We knew the end

Empire

Cartel #3

This was an awesome ending to this series and I can't wait to FINALLY dive into the Gypsy Brothers! I'm really not sure of all my feelings right now! Lili takes us on quite a gritty and crazy roller coaster that's for sure! She has me all kinds of confused on if I love or hate certain characters. If I want them to have a HEA or if they are even redeemable. For some reason after all the gruesome things that Dornan has done in this series (ESPECIALLY THIS BOOK) I'm still rooting for him. Which mak

This was an awesome ending to this series and I can't wait to FINALLY dive into the Gypsy Brothers! I'm really not sure of all my feelings right now! Lili takes us on quite a gritty and crazy roller coaster that's for sure! She has me all kinds of confused on if I love or hate certain characters. If I want them to have a HEA or if they are even redeemable. For some reason after all the gruesome things that Dornan has done in this series (ESPECIALLY THIS BOOK) I'm still rooting for him. Which makes me question my sanity! Lili broke my heart in this book and made me angry and I'm not sure if I'm brave enough to let her continue to do so in the next series!!! If you read this don't be expecting sunshine and rainbows or a light at the end of the tunnel! This isn't a fairytale or a romance! This is raw, this is gritty and this is real! I'm so glad I picked up this series! It was a nice change of pace and it kept me on the edge of my seat with lots of unexpected twists and turns! As a dark series it definitely delivers and does not disappoint!

If i'll say that this story didn't broke something inside of me, it will be a total lie!!!

Damn!!! The last thirty pages wrecked my heart... even some tears slipped down on my cheeks!!!

This ending was devastating and not so much for Mariana and John because they made their bed on their own, but for this poor girl, Juliette!!!!

She was the ultimate innocent person in here!!! She and Jase!!! And she had the w

If i'll say that this story didn't broke something inside of me, it will be a total lie!!!

Damn!!! The last thirty pages wrecked my heart... even some tears slipped down on my cheeks!!!

This ending was devastating and not so much for Mariana and John because they made their bed on their own, but for this poor girl, Juliette!!!!

She was the ultimate innocent person in here!!! She and Jase!!! And she had the worst fate of all of them for something that wasn't her fault!!!

Damn you, Dornan!!!!

In the last installment of the Cartel series, the web of lies and secrets are crumbling down...

I had mixed feelings while I was reading this book because I knew what would happen at the end. People who read the Gypsy Brothers series know what I'm talking about. Nevertheless I was also excited to be reunited with the amazing characters. Mariana, Dornan and John are one of the most intriguing characters I had the pleasure of meeting. Their relationship was very intense and complicated. My heart broke for all three of them.

I have been on a crazy and wild ride with this trilogy and I hate saying goodbye. Empire was a PERFECT conclusion to the trilogy. Lili managed to shock and surprise me throughout the book. So much was going on and I loved the plot twist. Mariana is such a strong character, and I have so much respect for her. She found a way to play with the big bad guys, and she stands her ground. We already saw Dornan spiraling out of control in the previous books, but it reached a new level in this book. I really felt sorry for him. John has been a very solid character in this trilogy and he has a special place in my heart. The ending was very difficult to read but it went the way it was suppose to go.

If you love unconventional dark romances then I highly recommend you to give this trilogy a try. Also make sure to read the Gypsy Brothers series, which is somewhat of a spin-off and will focus on characters you already met in this trilogy.
