## What people Say:

### Nataliya

Why, you ask? What's scary about a funny-looking cat? \*shudder\* Well, what's so scary about these cute things?

Sometimes I have nightmares where everything goes wrong, but I am helpless to do anything about it. What's worse, the voice of reason is gone. Well, that pretty much sums up the plot of this book.

Quick, somebody call Stephen King!

Two kids are left alone on a dreary rainy day - which by the way is a

(

). Suddenly a stranger barges in and insists that the kids join him in his games (

). And he refuses to leave.

DUN DUN DUN!!!!!!.....

### Valerie

I like that at the end of this book, when the mother comes home and the text reads:

My daughter always looks up at me and says: I would tell you.

But I don't believe her. I think it's quite possible that the Cat in the Hat has already been here, and she's just telling me what I want to hear.

In honor of Dr. Seuss' birthday I post an annual review of one of his works. Normally they fart sunshine and rainbows, but today we're going to spend a minute with the book that makes me want to . . . .

I know this is a classic and it's Seuss and no one is supposed to blaspheme when it comes to his good name, but come on. Two kids who are stupid enough to let a creepy effing CAT in their house only to nearly demolish the place obviously are not mature enough to be left home alone on a rainy day

. Right, Ron????

Anyfarts, happy Read Across America Day! Read this to your kids. They'll love it.

I don't remember ever reading Dr. Seuss (I'm sure I did, only it was SO long ago), so this just put me in such good spirits! I remember how giddy these made me feel, and the rhyming is just so whimsical, no books can compare to these. I'm collecting all of Dr. Seuss's work and this was just such a classic, great place to start. I love the art and the story combined!
