## What people Say:

### Sarah

This was a cute, quick and easy read. I really liked this story. I am impressed that Jojo Moyes fit everything into 96 pages.

I loved the plot. I would love to read more stories like this one. I think stories that involve a connection between strangers have so much potential but they usually always have insta-love. This story didn't have any insta-love and that's probably why I liked it so much. Moyes did an excellent job with the execution of this book.

I liked the characters. Again, I just wan

I loved the plot. I would love to read more stories like this one. I think stories that involve a connection between strangers have so much potential but they usually always have insta-love. This story didn't have any insta-love and that's probably why I liked it so much. Moyes did an excellent job with the execution of this book.

I liked the characters. Again, I just want to say how impressed I am that Jojo Moyes fit everything into 96 pages. The characters were a little cliché but they weren't one-dimensional. I loved how Nell pushed herself and there was good character development in the book.

I liked Jojo Moyes's writing. The language she used was simple but it still flowed very beautifully. I didn't do any skimming and I didn't lose interest. I think Jojo Moyes has a way with words. Even though the story was predictable, I was still interested in it and that was down to the writing. I just became so engrossed in the story and the characters. I also liked the ending. Moyes didn't try to wrap everything up in a pretty bow, she left their story unwritten.

I would recommend this book to people who are looking for something quick/easy or if you're a Jojo Moyes/romance fan. It's good.

### Laura

I enjoyed this short story featuring Nell as she embarks on an ill fated weekend getaway with her unreliable boyfriend to the most romantic city in the world.

At under a hundred pages, it was entirely readable in less than an hour. When Nell arrives in Paris, having been abandoned by said boyfriend, she is faced with two options - stay, and make the most of her time there or catch the first train home to London. Luckily for the reader, she stays and meets a very handsome Frenchman! Just who does

Luckily for the reader, she stays and meets a very handsome Frenchman! Just who doesn't yearn for a little holiday romance?

Short. Sweet. Ideal for chick lit fans.

## **Kate (GirlReading)**

Such a cute, speedy read. For such a short story it's really well developed. Sometimes the whole being in "the right place at the right time" thing can be very cliché but because this was a short story it worked really well. I feel like this would make such a perfect movie! This was every romantic movie I've ever watched but I loved it!!

## **Mikayla**

Ok, this one was pretty good. I was expecting not to like it,like with Dead Man Talking, but I thought this was great fun.

I can recommend as a quick read, though for someone who struggles with reading it's a great start for getting into it.

## **Melissa**

I LOVED this. I wish it was a full length novel. Jojo Moyes, please write a full length book about Nell and Fabian, they were amazing characters and I loved the romance!
