Jace is such a sweet baby daddy, I loved him in this book.

The beginning of Kadence is so bittersweet, heartwarming and heartbreaking at the same time.

After 7 years Jace finds out he's a dad from a secret pregnancy and that his teen sweetheart and love of his life is dying and has hours left to live all in one breath.

Sydney left and didn't tell Jace she was pregnant so Jace could pursue his career, a selfless and selfish act in one.

Such a sad beginning to the story which brought a tear to my eye

Such a sad beginning to the story which brought a tear to my eye but it was a beautiful ending for Sydney.

OMG my heart can't take any more. I knew I was going to fall apart but OMG Kadence has my heart, body and soul. Jace thought his life was complete til he got that 911 call that changed his life forever. Jace found out he had missed out his daughters life for 6 years now he can't see life without her, but how do you help a 6 year old survive without her mom, how do you answer the unknown? Jace not only loves having his daughter in his life but he wants another certain woman that blew him away for

Jace not only loves having his daughter in his life but he wants another certain woman that blew him away for one weekend, Summer. Summer has never forgot her weekend with Jace but he's a rocker , she knows all to well about that life and she can't have no part in it but her heart wants what it wants. I loved this book so much I laughed, cry, yelled and blushed. loved everything about it.

I really loved it when Jace would drop what he was doing to tend to his girl, "Jace is sitting in the recliner with a beer, watching football. It must be Sunday. I lost track. He looks over at me and immediately stands, walking toward me. "How are you feeling, darlin'?" Jace is quite the alpha male, "no, but I know you now and you're mine, god damn it. I don't want to think about other guys having touched you. It drives me effing crazy," he admits." I really loved this book, Jace was a sweet pro
