## What people Say:

### Nadia

The book is a magnificent wide ranging tale of politics, war, strategy, tactics, hand-to-hand combat, religion, mind control, drugs, insanity, betrayals..... I could go on and on but in the end it was brilliant fun to read.

### Morgannah

HORRIBLE book with FAKE reviews! Most of the 5 star reviews are from private profiles. Just disgusting!

## Lena

Original, strong heroine, unexpected. awesome. Worth my very limited time. Loved it.

## Elizabeth

Wow! Great original storyline with dangers and twists. Sable is more than a nun in the Cloture. She's meant to marry the King of Erentude and fulfill a prophesy and a centuries old promise. More than that, her destiny is meant to somehow change the world as they know it, but the leaders of her Cloitare convent are using her for their own purposes and Sable, her friends, and her King are doing everything they can to prevent the Cloture from coming into power.

Wow! Great original storyline with dangers and twists. Sable is more than a nun in the Cloture. She's meant to marry the King of Erentude and fulfill a prophesy and a centuries old promise. More than that, her destiny is meant to somehow change the world as they know it, but the leaders of her Cloitare convent are using her for their own purposes and Sable, her friends, and her King are doing everything they can to prevent the Cloture from coming into power.

It's a unique world that Mountebank has created, but it's not too far off into the future of our own. The Cloture have strong mental powers that could be considered far fetched, but are written onto the storyline so seamlessly that they appear like it's natural everyday thing to have telepathic

powers.

I love that the secondary characters are more than average people some a little over the top. Their strengths and weaknesses make them more releasable- wicked hacking skills, drug dependency, professional assassin, sociopath, daredevil pilot, and others. The character of Sable is great. Though it can be a little annoying how brash she is sometimes when she has so much power, but she doesn't know how to use it. I thought that's what she had been doing in the convent for so long, but apparently training her for the future and her destiny was not at the top of the list in there.

There's humor and romance, political intrigue and religious zealots, bombs and explosions, virtues and vices, assassins and thugs. Overall, it's a great scifi read and I'd recommend it if you enjoy that kind of genre. I'm looking forward to reading the next book.

I loved the book. Best part was that I couldn't predict what was coming. It was nice not having to read about insecure relationships. There was angered yet understanding. Guilt and resolve. I found myself agreeing with Remy yet understanding and applauding Sable. At times I was torn within Sable's emotions seeing her struggle to catalog them in order survive. Disappointment towards the end with Aiden I felt he needed to be more yet more of what I couldn't put my finger on. I would have

I loved the book. Best part was that I couldn't predict what was coming. It was nice not having to read about insecure relationships. There was angered yet understanding. Guilt and resolve. I found myself agreeing with Remy yet understanding and applauding Sable. At times I was torn within Sable's emotions seeing her struggle to catalog them in order survive. Disappointment towards the end with Aiden I felt he needed to be more yet more of what I couldn't put my finger on. I would have liked a few gaps filled but that is more to settle my own curiosity.
