A diferencia de los otros dos libros, en Black Moon vemos menos acción, lo cual no es para nada malo. Es un libro más político y estratégico pero no por eso lo amo menos que los otros dos. Los nuevos mundos que visitamos en este son simplemente maravillosos, no me voy a cansar de decir lo increíble que es el mundo que creó Romina.

Encontré varias respuestas que venían de las entregas anteriores y estoy satisfecha con ellas.

Y bueno, Hysan Dax....my cinnamon roll. Ya desde las primeras páginas del libro me di cuenta lo mucho que lo extrañaba y ver que pasaban los capítulos y sólo lo mencionaban me desesperaba un poco.

Ah, y ese final!!! POR QUÉ TERMINA ASI!!!!??? La espera para Thirteen Rising va a ser muy pero muy larga...

Awesome world building! The images pictured by the author are amazing! This book has it all. Character development. Big reveals. Or should I say HUGE! :) Ok. Ok. I am gonna stop the jokes. We finally get some answers regarding the Zodiac's origin. Now we finally know what happened with the thirteenth house. The big bad villain is finally revealed. And I am glad that some of my brain-storming theories were right.
