What people Say:

Cara Putman

I really enjoyed this novel...it takes readers back to Pine Gap, Missouri. Big Texas deputy Joel Puckett is desperate to prove himself in the tiny town that needs the law. Betsy is trapped in the town that she loves, but she wants to make her own place in the world. The sparks fly as these two interact. Betsy unintentionally creates havoc in his life, and they have to choose whether they're going to love each other anyway. It's a fun read and I loved the glimpse at prior characters -- though you

I really enjoyed this novel...it takes readers back to Pine Gap, Missouri. Big Texas deputy Joel Puckett is desperate to prove himself in the tiny town that needs the law. Betsy is trapped in the town that she loves, but she wants to make her own place in the world. The sparks fly as these two interact. Betsy unintentionally creates havoc in his life, and they have to choose whether they're going to love each other anyway. It's a fun read and I loved the glimpse at prior characters -- though you don't to read the prior books to enjoy this one. Perfect for lovers of historical, 1880s romances.

Carrie Schmidt (Reading is My SuperPower)

I have been waiting on Betsy Huckabee's story since I met her as an adorably precocious child in *A Most Inconvenient Marriage*. Needless to say, she hasn't quite grown out of her precociousness as an adult. When combined with Deputy Joel Puckett's prickliness, it translates

into some quite delightful banter between the two as well as multiple opportunities for giggles at Joel's expense. (You may also remember Joel from Caught in the Middle, part of her Ladies of Caldwell County series.)

One of my

I have been waiting on Betsy Huckabee's story since I met her as an adorably precocious child in A Most Inconvenient Marriage. Needless to say, she hasn't quite grown out of her precociousness as an adult. When combined with Deputy Joel Puckett's prickliness, it translates into some quite delightful banter between the two as well as multiple opportunities for giggles at Joel's expense. (You may also remember Joel from Caught in the Middle, part of her Ladies of Caldwell County series.)

One of my favorite parts of Betsy and Joel's relationship is how Betsy umm borrows Joel's identity for her Dashing Deputy stories she is submitting to the Kansas City newspaper. Deputy Eduardo Pickett is a rather unrecognizable version of Joel (understatement) because to be perfectly honest Joel isn't the most swoonworthy of heroes. He's not particularly swoonworthy as far as dashing deputies go, and Betsy is forever having to embellish his heroic acts to be in fact more heroic. And of course this backfires on her " and Joel " in more ways than one. But that just makes the story all the more entertaining!

And you know Joel winds up being quite heroic after all...

There's also a fascinating bit of history in For the Record " specifically of the Bald Knobbers, a group of vigilantes in the Ozarks in the late 1800s. Are they good guys? Are they bad guys? Who are they behind their masks? One thing is for sure, they certainly cause Joel much consternation. They aren't exactly the friendliest welcoming committee to Pine Gap. I love reading historical fiction that makes me want to head to the Googles to find out more about the history element when I finished reading the book.

Bottom Line: For The Record by Regina Jennings is entertaining and funny and romantic. Intriguing history, delightful characters, and a writing voice that just makes you smile " all of these elements combine to make this a truly enjoyable read. If you like Mary Connealy and Melissa Jagears, then you're going to love Regina Jennings too!

(I voluntarily reviewed a complimentary copy of this book.)

Andrea Boyd

The romance was spot on but I'm telling you, if a man ever tied me to a tree, he had better hope I never get loose, or else he better never plan on being in my presence again. Just saying.

Amy

With 3 full length stories & 1 novella set in the small Ozark Mountain town of Pine Gap, this has been a really enjoyable series by Regina Jennings. It wasn't a location or a time era I cared to read about initially, but from the very first story, Regina was able to capture me fully into the lives and loves of this town. I have eagerly anticipated each release of another venture to Pine Gap. Full of lawless individuals, trying to survive and carve out a life for themselves & their loved

With 3 full length stories & 1 novella set in the small Ozark Mountain town of Pine Gap, this has been a really enjoyable series by Regina Jennings. It wasn't a location or a time era I cared to read about initially, but from the very first story, Regina was able to capture me fully into the lives and loves of this town. I have eagerly anticipated each release of another venture to Pine Gap. Full of lawless individuals, trying to survive and carve out a life for themselves & their loved ones. With a Sheriff that turns a blind eye to crime, the door was wide open for the 'Dashing Deputy', Joel Puckett that arrives on the train from Texas. In desperation to leave a scandal behind in his beloved home state, he is ready to begin a new career for himself in this unfamiliar territory. Full of good intentions, he finds road block after road block against the locals. Betsy Huckabee has followed through each story in this series, and quite a bit of time has passed since the first book 'A Most Inconvenient Marriage'. I love everything about this story, it is my favorite of the 4, including the cover. Betsy finally gets her own adventure, though that is quite literally how she has lived her prior 24 years of

life. A self proclaimed independent woman, she has rebuffed every advance from all the available single men in the area. She has no desire or wish to be tied down, and she aspires to write for a big city paper. Of course, with the arrival of Texan cowboy Deputy Puckett, the wheels start spinning in Betsy's mind, and an idea for a fiction series based out of a Kansas City paper begins..

Regina has you connecting with the new guy almost immediately, and of course we fully enter the world of familiar Betsy. Written at just the right pace, and enough mystery to keep you guessing till the end, you will enjoy every single page.

Thank you Bethany House & Netgalley for the complimentary copy in return for my honest review.

For the Record by Regina Jennings is the third book in the Ozark Mountain Romance series. It follows Betsy Huckabee, an aspiring journalist as she looks for that perfect story to catch the big newspapers'™ attentions. As soon as the new Deputy, Joel Puckett walks into town, Betsy decides he is the perfect person to write that great story about. So, much to his annoyance, she begins to follow him on all of his adventures (and misadventures) trying to catch the gang members. But what happens when t

For the Record by Regina Jennings is the third book in the Ozark Mountain Romance series. It follows Betsy Huckabee, an aspiring journalist as she looks for that perfect story to catch the big newspapers'™ attentions. As soon as the new Deputy, Joel Puckett walks into town, Betsy decides he is the perfect person to write that great story about. So, much to his annoyance, she begins to follow him on all of his adventures (and misadventures) trying to catch the gang members. But what happens when they become too close and truth gets mixed up with fiction?

For the Record is a great title for this novel. It captures the spunk and stubbornness of both the main characters as well as some of the absurd and questionable situations they find themselves in. Betsy

is not a woman for following societal rules, but luckily, she lives in a small town in the West where everyone knows her and very few care that she breaks them. I loved that about her. Joel, however, is new to the town, meeting with much contention because of his presence. But he was determined to follow the rules and earn people's respect the best way possible. He is truly an admirable character, mistakes and all. His past makes the present more difficult and Betsy only worsens it. But that they were able to overcome all of it makes the story that much more beautiful and fulfilling. And it truly is beautiful and fulfilling. And did I mention funny and a little bit romantic? It is well thought-out, mystery included, and the setting is authentic. The complexity of the townspeople's relationships and political alliances is a great representation of real people and the historical setting.

I enjoyed this book very much and would recommend it to lovers of sweet historical romance.

I received a copy of this book from NetGalley. All opinions are my own.
