What people Say:

Ariel Cummins

I will never not love this series. I think everyone in library land will empathize with PiB when she says she just wants to take a vacation and no one will let her!

Aaron

I will always think highly of this book as it is the first chapter book my youngest requested to read TO me. We loved the acorn shaped monster.

Lisa

So true girl. You try to go on vacay and they monsters wont leave you alone!!!

Shelly

My son loves this series and this book particularly. He's new to chapter books, but has been patient for multiple readings of this book. And those multiple readings have been at his request. I enjoyed it, too.

Mary

Princess Magnolia is exhausted so the Goat Avenger (who looks a lot like Duff the goat boy) encourages her to take a vacation. Alternating perspectives, the very tired Princess in Black battles a sea monster while the Goat Avenger keeps the goats safe. Another entertaining edition to a popular series.
