When I started getting active on Goodreads, Jaci Burton was one of the authors whose books I binged on. She was one of the few authors who are writing interconnected standalone sports romance series long before the category became what it is now. So I have a soft spot for her books.

Unfortunately, this was a dud for me. I felt no connection to either Flynn or Amelia. I don't see any chemistry between them . Their romance felt forced, and I couldn't care less if they get together

Unfortunately, this was a dud for me. I felt no connection to either Flynn or Amelia. I don't see any chemistry between them . Their romance felt forced, and I couldn't care less if they get together or not. But what really struck me about this book is the lack of genuine emotion in general. It's like romance by the numbers. It ticks off all the goal posts of what a romance novel should look like but none of the personality.

As much as it pains me to DNF this, I really can't continue. I just didn't feel invested enough in the characters or their love story.

The 12th installment in Jaci Burton's™ best selling Play By Play series gives readers a sexy, sweet, and humorous romance between two people whose trust has been broken by those they cared about. More laid back than previous books in terms of conflict; food and family are the main ingredients that are used to create this spicy/sweet romance.

, by Jaci Burton. The romance poured off the pages while the heat set them ablaze, both penetrating straight through me.

I fell in insta-love with Flynn Cassidy, Defensive End for the San Francisco Sabers, with his dark hair, blue eyes, tall and muscular body, tattoos, dirty mouth, and charming personality. Oh was he the perfect catch. ALL ALPHA. PURE PERFECTION! I LOVED Flynn, and his dirty words and big heart so much.

Beautiful, blonde, blue-eyed, and tall Amelia Lawrence is not looking for love or any relationship unless you count food or her love for cooking as a chef. Amelia is a chef whose owner of the restaurant she works at happens to be Flynn Cassidy, panty-melting player and football extraordinaire. Amelia can't help but develop a crush on her oh-so-hot boss.

Flynn and Amelia's chemistry is electric like the buzz in the air during a sold-out football game. A slow burn sizzled through the story as the build-up brought on butterflies that fluttered with feels, my heart fluttering too. Flynn and Amelia's passion pounded from the pages straight to me. The angst from that pent-up passion was an adrenaline-induced high! and oh did I FEEL THAT RUSH!
