I tried to like it, I wanted to like it but life had other plans. :(

I'm going to express myself in gifs, if you all don't mind.

Let me start by saying that I wasn't going to read this book because Four Letter Words (Dirty Deeds #1) sucked balls, but I thought I would give it a go. There were some decent reviews out there for this one, so I hoped J. Daniels would redeem herself in my eyes. Well that didn't happen.

We were introduced to Jamie and Tori in book one and I fell in love with both of them. I was like, "Yasssss, bitch, yasssss!" I just knew J. Daniels was going to slay! Ha! The joke was on me because their characters in this book were nothing like they were in book one.

âž¶After DNFing the first book in the series I though, "Hey, may be it was a fluke" and gave this one a go. And I came to a conclusion that may be this author's writing just isn't my cuppa. And that's fine.

!I didn't like the hero, perhaps because he comes off as a bit of an airhead. The way he talked felt weird to me, I'm not sure why but it felt very fabricated to me. Again, TO ME. You might like it. I also felt like there was a lot of fabricated drama in the book which I've seen coming. Saw the "set up" happening since the beginning of the book.

!What did me in was the amount of times these two said or didn't say "I love you" to each other. I'm just really past the point of adults playing the "should I say it or not say it" game in books.

Tori is through with having men work their way into her heart only to turn around and break it. So when Jamie starts making it perfectly clear that he wants her, she does her best to avoid him. So when she and Jamie make a bet that one of them will be begging the other for a night in bed she's positive she'll win. Because she doesn't want Jamie at all. Right?

I was super interested in Jamie and Tori when we first met them in

After reading Four Letter Word (Book 1) I was sooooo excited to read Hit The Spot! In Four Letter Word we are introduced to Tori (Legs) and Jamie (Loser) and I instantly fell in love with them and their personalities! Usually when that happens I get high hopes for the next book and my expectations are too high. Well, let me tell you, J Daniels did

If anything, she exceeded my expectations and I could not put this book down! Hit the Spot also quickly moved its way to one of my top favorites of 2016!

It's been a while since I have read a book where I was 100% in

with the Heroine, 100% in

with the Hero and 100% in

with their relationship! Oooooookkk, so basically I'm 100% in

with this book! Tori is fiesty, fierce, outgoing, cute and lovable! Jamie is a cocky, arrogant, dirty talking,
