Jessica's Totally Over The Top Book Obsession

Blood Vow is the 2nd novel in the Black Dagger Legacy series, and like the first book in this series it stars two couples.

Blood Vow is the 2nd novel in the Black Dagger Legacy series, and like the first book in this series it stars two couples. Axe and Elise and Mary, Rhage with their daughter Bitty. This book picks up a few months after The Beast the 14th book in The Black Dagger Brotherhood Series(BDB). Black Dagger Legacy(BDL) is a spin off of the Black Dagger brotherhood that tie together and from what I have seen on fan sites for J.R. Ward and Wiki are to be read in order of release date. So like.....

I don't even have words to say about how grateful I picked this book up before Christmas. Blood Vow is the second installment of the Black Dagger Legacy series which is spinned off from the main one, Black Dagger Brotherhood. At first, I saw no reasons why J.R. Ward had to start her new series with the same setting and characters, but after I read Blood Kiss, I completely understood why she must do this.

I don't even have words to say about how grateful I picked this book up before Christmas. Blood Vow is the second installment of the Black Dagger Legacy series which is spinned off from the main one, Black Dagger Brotherhood. At first, I saw no reasons why J.R. Ward had to start her new series

with the same setting and characters, but after I read Blood Kiss, I completely understood why she must do this.

Blood Vow has the two main stories: the first one is Axe, kinky dirty sexy alpha male from Blood Kiss, and Elise, the rich girl having the rebellious head. They're not a perfect match for me at first, but J.R. Ward made me feel like they're so good together while Axe's trying to be good for her. It reminded me of Gomez's song :

I have to play it whenever I read Axe's part. He's my type of hero.

The second story is Rhage and Mary's. I loved the potential these two being together since The Beast, kinda didn't like them this much in Lover Eternal for some reasons. It broke my heart to see the story in The Beast continuing in this book. To be honest, the conflict Ward put into the first part of the book was unpleasant for me because I knew consequences weren't good, yet I was so glad to see how ingenious she turned the story and solved their problems at the end of this book.

How can I say about how much I loved Axe ? Ohmigod. I've already said but I want to do it again. He's yummy and sexy as hell

He likes being hurt so he tells Elise to hurt him good when she's with another man. That scene alone got me to give this book five stars.

I've had a hunch before reading this book that Axe might be like Z. But I was wrong. Axe is reasonable and not judgemental even though he's neglected by his father. He's done so many wrong things but he can understand himself without someone reminding him who he is. Elise, too, is strong and independent, she rarely acts like she's a damsel in distress, she knows that everyone has their problems and it's unnecessary to judge people until you know them well.

J.R. Ward knows where to hit my points to fully enjoy her books. She wrote it the way she used to, nothing was changed. But the fresh start and how she put the pranks into her story were excellent as always and made me laugh my ass out. I liked her books because of them.

Highly recommend ! This is my best Christmas gift ever. And Lassiter is my other reason that I loved Blood Vow so damn much I marked it as my favorite of 2016.

There is magic involved every time I open a J.R. Ward's book and then I suddenly land in Caldwell.

When I am there,

I usually hide in the dark alleys sniffing the air for baby powder smell and listening carefully for gunshots and body compacts,

I cover myself at the back of Manny's ambulance behind a blanket making sure is empty on the way back to the mansion and everybody has already been home safe. Sometimes when it is not empty I listen carefully to sighs and encouragements and prayers and I m

There is magic involved every time I open a J.R. Ward's book and then I suddenly land in Caldwell.

When I am there,

I usually hide in the dark alleys sniffing the air for baby powder smell and listening carefully for gunshots and body compacts,

I cover myself at the back of Manny's ambulance behind a blanket making sure is empty on the way back to the mansion and everybody has already been home safe. Sometimes when it is not empty I listen carefully to sighs and encouragements and prayers and I make an effort to help thinking positively so that whoever is injured, he/she will be on his/her feet soon.

I find quiet corners in the Brothers' mansion trying to listen to giggles and laughs and curses and "oh" sorry for cursing" (because there are kids around nowadays) and looking for paw prints and snicker bars wrappers , while my stomach growls when I smell the Last Meal being prepared by the doggens. And then I know that the pool table noises will stop, footsteps will be coming down the stairs, George will start barking, the TV will be silent, the vacuuming will stop and the dining room will be filled with voices and shouts and maybe music.

Sometimes I find a quiet place in the Darius' mansion and I listen to the petitions to the blind King. Frequently, I roll my eyes because what the subjects demand from the King is so trivial and simple and he and his brothers have a bloody war to fight and there is no time. But other times, my heart bleeds because what they ask is the impossible even for a King.

I reread

yesterday in anticipation of the release of

so naturally I have to reread this one too....just as fantastic as the first time I read it....maybe even more so!

Honestly, I cannot get enough of the Black Dagger Brotherhood, so I am beyond ecstatic for the Black Dagger Legacy series, it feeds my addiction to these vampires!! So it took me awhile to do this review and I've decided to break it down into three mini reviews.

Honestly, I cannot get enough of the Black Dagger Brotherhood, so I am beyond ecstatic for the Black Dagger Legacy series, it feeds my addiction to these vampires!! So it took me awhile to do this review and I've decided to break it down into three mini reviews.

Axe is a commoner, a guy who just wants to survive and make it through the Brotherhood trainee program. He's had a hard knock's life, his mother abandoned him and his father for a better life when he was a young boy and his father basically spent the rest of his life waiting for her to come back and forgetting that he has a son, a son who later rebelled using drugs and sex as an outlet.

Axe turned his life around when his father was killed in the raids, he applied for the trainee program to do something good with his life and at the same time avenge his father's death. There is more to his back story which will break your heart but you'll need to read all about that.
