### Elizabeth of Silver's Reviews

Dovie spent her lunch hours in the cemetery every day since her fiancée committed suicide. Dovie hoped she would find out why William would kill himself a few weeks before their wedding.

The cemetery didn't tell her much, but she did befriend the caretaker of the cemetery, Josiah, as well as come across Dora who was grieving the death of her daughter, Alice.

Dovie didn't find relief from her own grieving, but she did find Alice and Dora's story very interesting. Alice was connected to a powerful,

Dovie spent her lunch hours in the cemetery every day since her fiancée committed suicide. Dovie hoped she would find out why William would kill himself a few weeks before their wedding.

The cemetery didn't tell her much, but she did befriend the caretaker of the cemetery, Josiah, as well as come across Dora who was grieving the death of her daughter, Alice.

Dovie didn't find relief from her own grieving, but she did find Alice and Dora's story very interesting. Alice was connected to a powerful, wealthy family in town, and had been buried in the family's plot. That in itself caused Dovie's curiosity to peak and to want to know more.

When Dovie finds letters that had been left and written by Alice, a definite connection between the letters, Dora, and the Tate family comes to light.

LOVE, ALICE goes back and forth in time using letters written by Alice, facts about the Tate family, and Alice's mother to help reveal the secrets of Dora's grief.

I always enjoy books that go back and forth in time and especially when the mystery is revealed through letters or some other unique way.

I enjoyed Dovie and Dora's friendship and the determination Dovie had to find out the truth. The Tate family was a bit mysterious with Mrs. Tate being pleasant but secretive and her son being closed mouth and a bit unpleasant at times. Dovie knew some secret was kept by the Tate's, and she wanted to know what it was.

This book takes place in 2005 in Charleston, South Carolina. A year ago, Dovie was getting ready to marry her fiance William. To everyone's shock, two weeks prior to their wedding William took his own life. Dovie Larkin now spends her lunch hours visiting his burial site, grieving his death and searching for answers. One rainy afternoon at the cemetery, she spies a grieving elderly woman leaving a letter at the grave of Alice Tandy. To protect the letter from the elements, she picks it up and re

This book takes place in 2005 in Charleston, South Carolina. A year ago, Dovie was getting ready to marry her fiance William. To everyone's shock, two weeks prior to their wedding William took his own life. Dovie Larkin now spends her lunch hours visiting his burial site, grieving his death and searching for answers. One rainy afternoon at the cemetery, she spies a grieving elderly woman leaving a letter at the grave of Alice Tandy. To protect the letter from the elements, she picks it up and reads it. The letter is written by the elderly woman asking for forgiveness from her child.

Dovie is given access to letters written by Alice that years ago were dropped off at the cemetery. In 1962, Alice was sent away to an asylum for unwed mothers in England. She was sent there by her mother to have the child. Alice's baby was adopted by a wealthy family in the United States. Alice's experiences in this asylum were not positive ones and women were treated unkindly.

Dovie befriends the elderly grieving woman, named Dora. Dovie shares Alice's letters which helps to unlock family secrets. They work together to solve two mysteries: 1. Where was Alice living after she left the asylum? 2. Where is her grown child is today?

The book is told in the voice of Dovie throughout most of the book and through Alice's letters. There are other characters introduced into the story other than those mentioned. They all become greatly intertwined as they sort out their own sorrows and secrets. This heartfelt touching story had me teary-eyed when I finished it.

I decided to read this book up because the synopsis sounded interesting. I really had no expectations since I have never read any of this author's work before and really hadn't heard anything about this book. I am glad that I decided to pick it up because it turned out to such a nice story. I was pulled into the story right away and really was eager to see everything work out for the characters. I was able to predict some parts of the story but I still really enjoyed the journey.

This was a book that was told in two timelines that focus on two women, Alice and Dovie. Dovie is trying to move on after her fiance committed suicide. She spends a lot of time at the cemetery trying to come to terms with her loss. She happens to see an older woman leave a letter at another grave and feels compelled to take the letter to read. Her life soon becomes intertwined with the older woman and learning the events of the past.

Alice's story is told through her letters. Alice wrote a series of letters prior to her death that were left at her grave in the cemetery where Alice's fiance is buried. These letters eventually come to be in Dovie's possession and she shared them with Alice's mother slowly over a period of time. As Alice's story unfolds, my heart broke for her and everything that she went through.

I think that the dual timelines worked well in this book. I really liked that letters were used to tell the story of the past and thought that it made the book flow nicely. Dovie and Alice both were wonderful characters. Dovie learns not only about Alice's past but some truths about her own as the story moves forward. By the end of the book, Dovie was almost like a new person. She had really come to terms with a lot and had helped her new friends do the same.

I would recommend this book to others. The story was one that has stayed with me. It was a book full of pain and grief but also of friendship, love, and learning to move forward. This is the first book by Barbara Davis but I look forward to checking out some of her other work in the future.

Love, Alice was a sweet, entertaining read. Barbara Davis creates a likeable and engaging cast of characters that I thoroughly enjoyed getting to know. The Charleston setting and culinary tidbits made me like the novel even better. Dovie Larkin, the main character, is still recovering from her fianc  's suicide the previous year. Still mourning William, she visits his grave daily. One day while she is at the cemetery, she sees another woman whose grief reflects her own. As the older woman is leav

Love, Alice was a sweet, entertaining read. Barbara Davis creates a likeable and engaging cast of characters that I thoroughly enjoyed getting to know. The Charleston setting and culinary tidbits made me like the novel even better. Dovie Larkin, the main character, is still recovering from her fianc  's suicide the previous year. Still mourning William, she visits his grave daily. One day while she is at the cemetery, she sees another woman whose grief reflects her own. As the older woman is leaving, she leaves a note on a nearby grave. Intrigued, Dovie decides to read the letter resulting in her attempting to solve the mystery presented by the woman's letter. While I could tell how the story would end as it was progressing, I definitely relished reading Love, Alice and Davis's beautiful prose. Thanks to First to Read for the chance to read this ARC in exchange for an honest review.

## Chris Carroll

This is the third book that I've been able to read by this author and so it was with great anticipation that I dived into this read. The author has the ability to captivate you with a combination of history, mystery, and life itself.

This is the third book that I've been able to read by this author and so it was with great anticipation that I dived into this read. The author has the ability to captivate you with a combination of history, mystery, and life itself.

Love, Alice is about the hunt to find the truth behind an emotional story. The author takes a look at the fate of a child back when being a single parent was not acceptable.

Told through letters from the past and those looking for the truth today, you are taken on a trip of heart ache, secrets, and a variety of emotions as you devour this story. With the characters looking to heal their hearts and find some peace from the pain and questions they are all suffering from, the journey through this book is a delicate balance and soul searching.

Barbara Davis has a knack for creating complex characters and telling deeply personal stories that you simply cannot put down. The story is unique and will touch you in ways that will stay with you long after the cover is closed.

This is definitely an investment of quality time to grasp the rich story that gives you peace and healing along the way. Barbara Davis offers us a wonderful gift in yet another amazing read.
