What people Say:

Joseph

Interlude for the survivor.

the pain means you're alive

the scars mean

you've always survived

by r.h. Sin is the author's second collection of poetry. Mr. Sin is a minimalist when it comes to a biography -- An old Facebook page, a closed Twitter account, and an Instagram account with plenty of pictures of his poems.

Sometimes great things happen by accident. I saw this book and immediately started it. A few years ago I read a similar sounding collection called

Interlude for the survivor.

the pain means you're alive

the scars mean

you've always survived

jenice

-this was so fake deepâ,,ç

-none of the poems felt new, fresh. it was a mix of everything i've read before, except worse

-and that's not a bad thing, but the writer should make it their own and make it seem original to the reader

good thing(s)

-i read it in less than an hour

1.5 stars (.5 because it kept me interested enough to finish the collection)

Jen (Book Syrup)

This poetry collection, which I was SO excited for, was way over-hyped. I found it to have the following things, and more, that really irked me to the point of no return: preach-y to women (when the author is a man), likes to romanticize depression and the aftermath of abusive relationships, compares a woman's sex to a winter jacket, continuously says he's a better man than any other man the women he's speaking to has been with, and is filled to the brim with over-used themes and constantly eye-rolling cliches.

This poetry collection, which I was SO excited for, was way over-hyped. I found it to have the following things, and more, that really irked me to the point of no return: preach-y to women (when the author is a man), likes to romanticize depression and the aftermath of abusive relationships, compares a woman's sex to a winter jacket, continuously says he's a better man than any other man the women he's speaking to has been with, and is filled to the brim with over-used themes and constantly eye-rolling cliches.

OH and out of the 150+ poems in here? I only liked 5 or 6 of them. OUT OF OVER 150 poems. Man. I definitely don't think I'll be reading any more of this author's work, which makes me upset because I was looking forward to enjoying his work. Alas, no cigar. Hopefully I'll be diving into some better poetry soon.

Alright, that's enough griping of this book. I think I'm just going to leave this review at that.

Hirdesh

Review to come.

Sarah Nu

for all the tears.

Reading this collection of poems felt like home. I am so glad I randomly stumbled upon this one.

Very simple, incredibly beautiful and truly powerful read.
