What people Say:

Paul

I want to like this book so much more than I actually do. On paper, it sounds tailor made for me: stupid characters getting up to surreal hijinks with an unhealthy dose of punning! In practice, I find that only about a third of the jokes actually make me laugh and I have a huge problem getting past the artwork, which, I'm sorry, isn't my cup of tea at all.

Still, this volume gets bonus points for making one issue a choose-your-own-adventure story. THAT was a stroke of genius.

Also, they gave me a

I want to like this book so much more than I actually do. On paper, it sounds tailor made for me: stupid characters getting up to surreal hijinks with an unhealthy dose of punning! Still, this volume gets bonus points for making one issue a choose-your-own-adventure story. THAT was a stroke of genius.

Also, they gave me a whole bunch of Moloids and I love me some Moloids.

5 FUCKING STARS!!

Was this my favorite because it gave commentary on what it's like to be a woman on the dating scene?

Short answer: yes.

Long answer: FUCK YES.

Was it my favorite because it said things like "you think just because you're nice to me, I owe you something?" and "you don't get points just because you're not a tool?"

Was it my favorite because the notes at the bottom made LOL???

YES.

Was it my favorite because Squirrel Girl is queen?

Yes, Yes, and...FUCK YES.

Sesana

Fantastic. This collection is bookended by one-off issues, a choose your own adventure style comic and a dream explanation of basic computer science concepts. The meat of the collection is Mole Man's turn as Nice Guy, and it's really great, almost painfully on point.

Cyndi

I'm a fan of Squirrel Girl! Great art! The stories are funny and it's always a treat to see how Squirrel Girl will win and do it nicely. Absolutely adorable!

Chris Lemmerman

Quite possibly my favourite volume of this series yet. After a shaky volume 3 (mostly because that Doctor Doom story was too long), this one gets right back on its feet, eats nuts, and kicks butts.

We open with a done-in-one Choose Your Own Adventure issue as Koi Boi and Squirrel Girl battle Swarm. In a year of innovative comic designs, this one stands out near the top. Not only is it great fun, but you can re-read it at least three times and get slightly different endings. Plus, Galactus.

The bul

Quite possibly my favourite volume of this series yet. After a shaky volume 3 (mostly because that Doctor Doom story was too long), this one gets right back on its feet, eats nuts, and kicks butts.

We open with a done-in-one Choose Your Own Adventure issue as Koi Boi and Squirrel Girl battle Swarm. In a year of innovative comic designs, this one stands out near the top. Not only is it great fun, but you can re-read it at least three times and get slightly different endings. Plus, Galactus.

The bulk of the book is the eponymous I Kissed A Squirrel... three issue arc that has Mole Man basically wreck the planet because Doreen won't go on a date with him. This one is a great story about how relationships can be various degrees of toxic, and how you should treat other people. Plus Doreen kicks a three-headed dragon in the face.

The final issue is the only one not pencilled by Erica Henderson as Jacob Chabot drops in for a dream sequence issue that pits Doreen against Nightmare, who she must defeat using computer science! Seriously, it's amazing.

I laughed out loud at least once per issue reading this; Squirrel Girl is a breath of fresh air and should be on everyone's book shelves.
