dentro de mí- en estos momentos".

En este compendio de

nos encontramos con el desarrollo de nuevos problemas, la resolución de algunos y la inevitable aceptación de otros. Sin embargo, y a pesar de sus constantes cambios de arte, la historia prosigue con su inocente trivialidad.

- 1.- La tensión que permanece entre Betty y Archie.
- 2.- La campaña política del señor Lodge.

Michael Finocchiaro

My son Archie's review: he found it could be because Archie is too fond of Ronnie and needs to slow down and Mr Lodge's mayoral campaign was funny, and he thought Ronnie was taking too much space and is happy that Betty is back in the spotlight.

My review: beautiful art, funny stories, great story arc - this reboot is fantastic!

I absolutely am loving these comics.

I love how Veronica is trying so hard to be loved and accepted by Archie and his parents. Even though she is just buying really expensive things.

But you really see that she doesn't know the basic things that middle-class people like Archie grow up with. Like setting the table.

Betty seems to be regretting the lip-stick incident as well... it is getting very interesting...

Also I am really excited about that red head on the next volume's cover

I've been waiting for this one ever since I finished reading volume 1! Archie has been a part of my life ever since I was a kid. I would read the comics all the time as my mom would bring the digests home for me every once in a while. This second volume picks up right where the first left off. Archie (as always) is bouncing back and forth between Betty & Veronica while obtaining important advice from his best friend Jughead. I'm not sure if I enjoyed this volume as much as I enjoyed the first

Archie (as always) is bouncing back and forth between Betty & Veronica while obtaining important

advice from his best friend Jughead. I'm not sure if I enjoyed this volume as much as I enjoyed the first one, but I did really love reading it!

--

Good ol' Archie. I don't think I'll ever get tired of Archie comics. This volume was full of poor Archie getting mixed up in many different scenarios...as per usual!

Emily

Pop quiz: what's more unrealistic, this book or Riverdale? In these issues, Veronica "moves in" to Archie's household by bringing a full-screen TV, French chef, and lawn-style laser-tag game, and I would still pick Riverdale.

Regardless, most of the stories in here are turned up to 11 and have too much slapstick. I do love Veronica Fish's art in issues 6-10, and thought the mishap with the pictures of the governor in the newspaper was genuinely funny. I really like that the updated Archie includ

. The art in issues 11-12 is not great, particularly in contrast to previous issues. My favorite piece in the whole book is the cover with Veronica and Archie in the Lodge for Mayor shirts - it's gorgeous.
