What people Say:

Carrie Schmidt (Reading is My SuperPower)

I love marriage of convenience stories and I love stories set in colonial times/Regency era. So the combination of the two, written by Laurie Alice Eakes, set my little bookish heart aflutter. Deirdre and Kieran in some ways are an unlikely pair but in other ways I could see them together from the very first time they met on the page.

Deirdre is feisty and independent but she also has a vulnerable side as well as being much more feminine at heart than she gives herself credit for. Kieran has

I love marriage of convenience stories and I love stories set in colonial times/Regency era. So the combination of the two, written by Laurie Alice Eakes, set my little bookish heart aflutter. Deirdre and Kieran in some ways are an unlikely pair but in other ways I could see them together from the very first time they met on the page.

Deirdre is feisty and independent but she also has a vulnerable side as well as being much more feminine at heart than she gives herself credit for. Kieran has a troubled past and yearns for his father's approval but HIS heart is purer and more courageous than anyone gives HIM credit for. And then there are a host of supporting characters that add more dimension as well as warmth and emotion and intrigue to the mix.

Bottom Line: Laurie Alice Eakes is one of my favorite authors for colonial-era/Regency fiction, and My Enemy, My Heart reminds me exactly why she holds that spot. She immerses you easily in the world of her novel you'll smell the sea air, hear the creak of the boat timbers, and breathe that delightful first breath of fresh ocean air along with the characters. You will also experience nearly every emotion as you read this book from grief to fear to anger to pride and, yes, to joy and everything that goes along with falling in love. Beautifully written, this is a must-read for fans of this time period and fans of historical fiction in general!

Tricia Mingerink

I love books about the War of 1812, which is one reason I stumbled across Laurie Eakes in the first place. The first book in her Midwives series takes place during the War of 1812 as well.

The thing I loved most about this book is that it is both a book about the War of 1812 and a Regency. Usually those things happen in separate books, even though in real life history, the Regency era and the War of 1812 happened at the same time. Most of the time, you either get books like *Pride & Prejudice*

The thing I loved most about this book is that it is both a book about the War of 1812 and a Regency. Usually those things happen in separate books, even though in real life history, the Regency era and the War of 1812 happened at the same time. Most of the time, you either get books like *Pride & Prejudice* that is solely Regency and the wars England is fighting is just a vague mention. Or you get naval books from either the English or American perspective that is solely set on the sea. This book manages to blend both.

My least favorite part was the romance toward the end. While I understood the main guy's reason for basically keeping his wife a prisoner (she was an American now living only a few miles from Dartmoor prison and determined to rescue her former crew at all cost, even at the cost of betraying her new family), at times it did feel a bit...heavy handed. But that, I think, is also my modern sensibilities shading something that wouldn't have felt odd back then.

Lori Parrish

I thought this was a fabulous story! It's funny how we should meet our future spouses is it not?

Laurie Alice Eakes is an awesome story teller who knows how to make her stories and the characters that are in it seem real. I "met" Laurie Alice Eakes through her midwives series. Her writing style is truly unique.

I've never met such two hardheaded people!

I think Deirdre is a heroine at heart who truly cares about what happens to ppl. I think she's delightful and stubborn. I love her orneryness to

I've never met such two hardheaded people!

I think Deirdre is a heroine at heart who truly cares about what happens to ppl. I think she's delightful and stubborn. I love her orneryness too! It's what us redheads are noted for!

Keiran is just as stubborn! I think he cares about ppl as well but just has weird way of showing it. I guess most men do. Keiran thinks he has a lot to prove to his family so he's torn between his family and his new wife.

I loved Chloe as well! Chloe doesn't give a fig about high society. She's just as determined to what is right and in turn teaches her brother the importance of family.

* Thank you Netgalley. I received this ebook for free in exchange of a honest review *

My enemy, My heart was packed with action and I really enjoyed it. Deirdre, Kieran and Chloe were exactly the kind of colorful characters I like. Deirdre grew up at sea and is forced to change her way of life when she meets Kieran. If you love historical fictions, this one is for you! The only downside was the on and off relationship between Dierdre and Kieran. They were times where it was very annoying!

Amy

So I have spent the last couple of days devouring author Laurie Alice Eakes newest series the Ashford Chronicles. My Enemy My Heart is the first in the series and we meet oldest son, Kieran Ashford who is trying to make his way to Georgia after being told by his father to leave England for a while due to a scandal. Unfortunately for him and for American Deirdre MacKenzie and her father's ship, The Maid of Alexandria and crew, Britain and the US have just entered the war of 1812.

So I have spent the last couple of days devouring author Laurie Alice Eakes newest series the Ashford Chronicles. My Enemy My Heart is the first in the series and we meet oldest son, Kieran Ashford who is trying to make his way to Georgia after being told by his father to leave England for a while due to a scandal. Unfortunately for him and for American Deirdre MacKenzie and her father's ship, The Maid of Alexandria and crew, Britain and the US have just entered the war of 1812.

Kieran sees the capture of The Maid as a way to prove to his father his worth. Not only that but he finds a bonus in the fact that Deirdre is a female in need of protection. To protect her best is to marry her. So we have a story of a marriage between an American and an Englishman whose countries are at war. A time of spies, privateers, and cruel treatments for prisoners shows just how precarious this new married couple and the whole of the Ashford family and the times they lived in were.

Their loyalties and love were tested beyond what any thought possible and even well-kept family secrets come to light. I enjoyed watching this very inconvenient marriage grow and mature these two individuals into becoming the perfect match for each other.

Highly enjoyable and I cannot wait to read more by her. I purchased this book for my own reading pleasure.
