What people Say:

Joanne Harris

Sweet and wise, like its predecessor, A BOY CALLED CHRISTMAS. Made to be read aloud - preferably to a child on Christmas Eve - but failing that, to someone you love, on a dark night, with wine.

Kristina

So cute, festive and christmasy

I needed a story like that to cheer me up and bring back my faith in magic! Thank you, Matt Haig!

Jessica (Jess Hearts Books)

Not as good as A Boy Called Christmas but still a sweet follow on story about hope.

Matt Haig told us the story of the boy who grew up to become Father Christmas in *A Boy Called Christmas*, and now he's delivered another wonderfully magical, festive gift. This is the story of Amelia Wishart, the first child ever to receive a gift from Father Christmas. Her hope made that first visit possible, and, just a couple of years later, her hope might just save Christmas itself.

This is the story of Amelia Wishart, the first child ever to receive a gift from Father Christmas. Her hope made that first visit possible, and, just a couple of years later, her hope might just save Christmas itself.

In Elfhelm a magical, bright, snow-covered town with its Toy Workshop, Bank of Chocolate coins, School of Sleightcraft and various clog shops the fragile peace between Elves, Pixies, and Trolls is starting to fracture. Meanwhile, in Victorian England, in the worst workhouse imaginable

under the close watch of Mr Creeper, Amelia has found herself in the kind of hard times that would make even Charles Dickens's toes curl. It's going to take a lot of hope to save the day, but that's exactly what Matt Haig delivers:

"Do you know how magic works? The kind of magic that gets reindeer to fly in the sky? The kind that helps Father Christmas travel around the world in a single night? The kind that can stop time and make dreams come true?

Hope.

That's how.

Without hope, there would be no magic.

It isn't Father Christmas or Blitzen or any of the other reindeer that make magic happen on the night before Christmas.

It's every child who wants and wishes for it to happen."
