The plot of the Supervillains Association thickens in this volume, but One Punch Man has yet to get his chance to fight the supervillains/monsters (damn those supervillains are getting uglier than before)! Will look forward for the next volume.

Doceavo tomo ya de One Punch Man, parece mentira lo rápido que ha caído la primera docena de volúmenes de este gran manga. Y no sólo porque la mayoría de ellos sean de lectura rápida, sino porque se disfrutaban tanto que siempre saben a poco.

Doceavo tomo ya de One Punch Man, parece mentira lo rápido que ha caído la primera docena de volúmenes de este gran manga. Y no sólo porque la mayoría de ellos sean de lectura rápida, sino porque se disfrutaban tanto que siempre saben a poco.

Soy consciente que una obra de esta escasa duración (y con lo larga que puede llegar a ser) no puede ser considerada una imprescindible, pero en mi caso se ha convertido en un manga top entre los que voy comprando, uno de esos que compro el día que salen y disfruto un par de veces.

Este tomo sigue la tónica de los anteriores, manteniendo el status quo que habíamos en el tomo anterior, es decir, un torneo de artes marciales con un enemigo potente (ya veremos lo que dura), un ataque de la misteriosa asociación de monstruos a gran escala y a Lobo haciendo de las suyas.

Son unos cuantos frentes que siguen rebosando acción y humor por los cuatro costados, en una mezcla difícilmente encontrable en ninguna otra obra y que consigue atrapar cosa mala.

De verdad, tan pronto estás vibrando ante un combate espectacular como te ríes por la enésima chorrada que pasa por sus páginas.

Mención especial tienen los capítulos extra (aquí solo uno), unos capítulos donde nos explica historias paralelas y autoconclusivas que pueden ser tan buenas como la de King en este número.

Diversión en estado puro. No puedo pedir más.

Another great volume from ONE, the comedy and action in this series is one of the main reasons I always come back to read the newest volumes. Saitama remains one of the best examples of what it means to be a hero in their destruction filled world, always running to help those in need and not caring the least bit what the public might (and wrongly I might add) think of him. I cannot wait to see the anime adapt these great chapters into visual form.
