What people Say:

Paul

I think the main problem I have with this book is that it nods its head in the direction of all facets of Patsy's long and varied history while simultaneously robbing the darker aspects of it of all their gravitas...

I'm also not a fan of the cutesy artwork. I really don't like cutesy artwork unless it's on a book like the X-Babies where it absolutely demands it. In a book featuring an all-adult cast it just doesn't work for me.

Debbie

I liked this better than Volume 1, though it is still a bit cutesy for my tastes. But there was a lot more plot going on which drew me into the story. I'm glad it was available on KU because I'm not sure I would have picked it up otherwise. I'm more open to continuing on with the series now than I had been.

[Read as single issues]

I love Patsy. This series, like some of Marvel's more third-tier books, is a shining light reminding us that comics are able to be fun as well as punching us in the feels at the same time.

The Civil War II tie-in in this volume is so well done, dealing with the emotional fallout of She-Hulk's hospitalization during the battle with Thanos and how it hurts Patsy and her friends more closely than the rest of the war put together.

The rest of the volume ties up the Hedy Wolf sto

I love Patsy. This series, like some of Marvel's more third-tier books, is a shining light reminding us that comics are able to be fun as well as punching us in the feels at the same time.

The Civil War II tie-in in this volume is so well done, dealing with the emotional fallout of She-Hulk's hospitalization during the battle with Thanos and how it hurts Patsy and her friends more closely than the rest of the war put together.

The rest of the volume ties up the Hedy Wolf story, having Patsy enlist Jessica Jones for help (PI Team-Up!), as well as bringing back some of her evil exes in the form of Mad Dog and Daimon Hellstrom for a cross-dimensional two parter that's great fun.

Brittney Williams, like Erica Henderson on Squirrel Girl, manages to pencil two ongoing series at the same time whilst other artists can't seem to manage one regular monthly schedule. I get that their art is less detailed, but it's still always polished and never looks rushed at all.

Highly recommended; one of the few books at Marvel currently that I can rely on to be good issue to issue as well as re-read as a whole.

Kristin

I'd like to thank

Kate Leth for keeping Patsy out of the Civil War II:Stupid Minority Report event and bringing Jubilee and girl gangs back into my life

Reading single issues again, updating as I go.

12. Everything about this is great. That's really all I have to say.

11. I LOVE HOW MANY WOMEN ARE IN THIS SERIES! Hellcat is so good, you guys.

10. I love that the male antagonists are really whiny and awful and portrayed the way women used to be.

9. Wow, men just ruin everything. I like this story, though. A little darker than the last one.

8. AMERICA!

But oh man, I love Jen.

7. WILLIAMS IS BACK. I love how she draws everyone (Jessica Jones is kind
