3.5 Stars *Spoilers*

Plenty of NaLu GajeelXLevy and GrUvia (seriously they should just get to together already!).

Seriously Zeref and Mavis had a child why hasn't Mavis mentioned this already - its kind of a big thing.

Can't believe that the Master sacrificed himself for everyone and I think for once a dead FT character won't be coming back for once.

Nicole

I'm only giving it 2 stars for the sake of the upcoming volumes. The real disaster.

Christina

This was a great read. I am entranced by both the art and story line.

Mel
