What people Say:

Val â€“i, ShamelessBitchySkanky â€“i, Steamy Reads

I REALLY like this author's

series - ESPECIALLY books 1-4 - and this is a spin-off of that series...it takes place in the same world that Harrison has created there (which is AMAZING by the way)...

But this one just didn't do it as much for me, sadly.

Despite the fact that she already "built" this world in the

series, I feel like I still trudged through the foundation-building for

series.

I had a hard time getting a good feel for Sophie and her powers and abili

Mariaâœ!âœ! Steamy Reads Blogâœ!âœ!

âž!So I've read this to scratch my paranormal itch. Yep. Apparently that's a thing for me now. Well, consider it scratched!

âž!Sophie, our heroine, knows a bunch of magic spells. Some runes. Or something. Sorry, people, this book was 4 books ago for me. #badtimemanagement

âž!Anyways. What's interesting, is that Sophie doesn't come off as a badass in the magic department. But she's sassy and doesn't take shit from anyone. And her spells keep her safe. IF ONLY SHE COULD HAVE A GUN TOO.

âž!She travels to U.

âžŸ!Sophie, our heroine, knows a bunch of magic spells. Some runes. Or something. Sorry, people, this book was 4 books ago for me. #badtimemanagement

âžŸ!Anyways. What's interesting, is that Sophie doesn't come off as a badass in the magic department. But she's sassy and doesn't take shit from anyone. And her spells keep her safe. IF ONLY SHE COULD HAVE A GUN TOO.

âžŸ!She travels to U.K. to some house in hopes of opening it up. Because apparently nobody else has been able to for ages. And they've tried, those clueless bastards.

âžŸ!See, if Sophie does get inside this house she will be given the title to it and she likes the money. Who doesn't?

âžŸ!But once Sophie gets to the countryside her car breaks down, her cell phone dies and a whole bunch of other weird things start happening. And then she runs into Nikolas at the bar, where he goes completely asshole alpha on her. And HE, by the way, IS A BADASS.

Sophia Triad

Sophie met Nicholas through a vision, while she was reading runes and she was concentrating on her near future. Nicholas was in a middle of a battle across the Atlantic, when he felt that someone was looking at him. Scared Sophie threw the stones away and the vision scattered.

Obviously the two of them did not have the best beginning in their relationship.

Things do not improve later on when Sophie travels at the border

Sophie met Nicholas through a vision, while she was reading runes and she was concentrating on her near future. Nicholas was in a middle of a battle across the Atlantic, when he felt that someone was looking at him. Scared Sophie threw the stones away and the vision scattered.

Obviously the two of them did not have the best beginning in their relationship.

Things do not improve later on when Sophie travels at the border between England and Wales to try to be the owner of a spooky house that belonged to the man who saved her as a child and she meets Nicholas again face to face this time.

â€¢ Nicholas does not trust Sophie.

â€¢ Sophie does not like Nicholas.

â€¢ Nicholas keeps ordering around Sophie.

â€¢ Sophie keeps pushing away Nicholas.

4.5 -

Stars!

To say that I was impressed with this book would be an understatement. Thea Harrison, is a new author for me, and

gave me everything I am looking for in a story from this genre.

The author set the scene extremely well, and being the start of the

series there were introductions aplenty through the first few chapters, I think it highlights the quality of the writing and storytelling in that I wasnâ€™t confused at any point about who everyone was.
