Pack your bags, bring your heaviest socks, Tammy L. Bailey is taking us to Mistletoe, Washington where this small town brings Christmas to life with their quaint traditions, sweet superstitions and warmth of a community filled with love. Okay, maybe one man in town isn't filled with romantic love, but he sure doesn't have a shortage of leggy blondes who will stop at nothing for a night in his bed. Ayden is ex-military, a confirmed bachelor with a "Leave 'em Smiling" attitude. The big question is

Pack your bags, bring your heaviest socks, Tammy L. Bailey is taking us to Mistletoe, Washington where this small town brings Christmas to life with their quaint traditions, sweet superstitions and warmth of a community filled with love. Okay, maybe one man in town isn't filled with romantic love, but he sure doesn't have a shortage of leggy blondes who will stop at nothing for a night in his bed. Ayden is ex-military, a confirmed bachelor with a "Leave 'em Smiling" attitude. The big question is "WHY?"

Grace is the go-to-girl, the family fixer, the one who wishes the best for everyone but forgets herself. When her soon-to-be-married sister becomes the runaway bride, the only hint to her sister's location is a postcard from Mistletoe. To say her entrance into this winter town is less than spectacular would be an understatement.

Two people, two agendas and one handshake bring Grace and Ayden into a partnership where each should benefit. What they hadn't planned on was their hot and cold relationship that was more confusing and probably more painful than trying to count a swarm of bees on the attack. Will Ayden's fear of true intimacy keep him pushing Grace away emotionally, or will he find that this sweet and damaged soul makes his heart come to life, a thought that terrifies him to his core.

Meanwhile, Grace wears her heart on her sleeve as Ayden continues to send her mixed signals on his intent. Just when he does the kindest and most caring things, he sends a volley of barbed words to totally deflate her heart. Even their kisses under the proverbial mistletoe sends them each mixed messages. When all is said and done and they have each fulfilled their part of the bargain, will they ever be the same?

Tammy L. Bailey's

brings the holidays to life in each scene around town as the spirit of the season bubbles over under a blanket of snow. The only two NOT fully into the spirit of things were Ayden and Grace and that, my friends was painful to watch as two people clearly meant for each other are thwarted by the Grinch that stole romance. False cues, unspoken words and bad experiences haunt the possibilities for these two. Will they finally lay their cards on the table or will they part, a little sadder, a little more damaged than before?

Ms. Bailey has proven that once again, she knows how to write by bringing her readers close to tears of anger and frustration as we root for the woman who needs to get a spine and the man who needs to open his eyes. Beautiful scenes and humorous moments will give us hope that

miracles can occur, but will they? More meat than some Holiday Romance reads, with tension running hot throughout! This one will take a piece of your heart!

I received an ARC edition from Tammy L. Bailey in exchange for my honest review.

When I started reading this book I was hoping to find inside *In Mistletoe* a relaxing and drama-free romantic story set during Christmas, perfect to put me in the mood for the coming holidays.

I did get some of the Christmas vibe from the secondary characters as I saw them preparing for Christmas by baking and decorating, organizing dinners for the whole family to gather under the Christmas tree and mostly preparing for Mistletoe's Christmas Dance. Sadly, I couldn't really focus in the celebrati

When I started reading this book I was hoping to find inside *In Mistletoe* a relaxing and drama-free romantic story set during Christmas, perfect to put me in the mood for the coming holidays.

I did get some of the Christmas vibe from the secondary characters as I saw them preparing for Christmas by baking and decorating, organizing dinners for the whole family to gather under the Christmas tree and mostly preparing for Mistletoe's Christmas Dance. Sadly, I couldn't really focus in the celebrations that were happening in this book because my attention was constantly drawn to the unnecessary drama between the main characters.

The heroine seemed to me very weak, she always took back her on and off again boyfriend in the past even though he would end up dumping her again for another woman. We might find Grace in the beginning of the book single because Rick is yet again with another woman but that doesn't stop our heroine from thinking about him and planning to take him back as soon as he gets tired of the other woman and calls her. Even after Grace meets Ayden and feels attracted to him she still rushes to pick up the phone when Rick calls.

Ayden wasn't a very likeable hero either, his excuse for being afraid of commitment wasn't really believable to me, he was always surrounded with over the top other women drama as his exes would show up and kiss him and seduce him with him trying but not

trying to stop them and that is something I do not enjoy reading in romances.

I also didn't like the way he kept emotionally pushing away Grace but at the same time he still pursued sex with her even though he was aware that she had feeling for him. After all that pushing away I expected him to finally chase after the heroine but unfortunately Grace did all the chasing from the beginning to the end.

There is of course something I have to give credit for to Grace and that is her class when dealing with Ayden's exes despite him wanting her jealousy to boost his ego. In most romances with other women drama the heroine always ends up slut-shaming all the other women who were trying to steal the blameless hero so it was really refreshing to see Grace telling one of Ayden's exes that she was beautiful, that a lot of guys would love to date her and that she was worth more than waiting Ayden to give her a chance. I only wish Grace had followed her own advice.

Contemporary Romance

This is a very sweet contemporary romance -- a perfect read for the holiday season! -- Overall, I really enjoyed reading this novel. It was a nice getaway for me, and whilst some things did grate on my nerves (mainly the emotional inability to commit by the hero) everything made sense for who he is as a character. The dialogue in this one is also pretty great. I enjoyed the banter between these two who seem like polar opposites and I e

Contemporary Romance

This is a very sweet contemporary romance -- a perfect read for the holiday season! -- Overall, I really enjoyed reading this novel. It was a nice getaway for me, and whilst some things did grate on my nerves (mainly the emotional inability to commit by the hero) everything made sense for who he is as a character. The dialogue in this one is also pretty great. I enjoyed the banter between these two who seem like polar opposites and I enjoyed everything that lead up to them finally coming together.

Being the second book I have read by the author, I have to say that I am pleased with the stories that she brings to life. This book oozes small town charm and the holiday spirit! Also, while it may be

a slow burning romance that will leave readers anxious about the couples future, how everything eventually comes together will make your heart flutter.

Highly recommended!

I RECIEVED AN ARC IN EXCHAGNGE FOR AN HONEST REVIEW. THANK YOU!!!!

My first read from this author and I was pleasantly surprised by how much I enjoyed this one.

Tammy Bailey has a real talent for painting a picture with her words, I could easily see Mistletoe and its inhabitants in my mind. The storyline is low drama with just enough to keep you turning the pages. I kept telling myself I'd just read a few chapters until I found I was at the end of the book within a few hours. By the end I was hoping for just a few more pages, I didn't want to say goodbye to the

By the end I was hoping for just a few more pages, I didn't want to say goodbye to these people.

A great read from an author I will definitely be looking out for in the future.

## Princess

I received an advanced copy for an honest review. 4.5 stars.

I have to say, I thoroughly enjoyed this book. Both characters had flaws & issues they had to work through. I loved how both Grace & Ayden talked to one another...their conversations were heartfelt and, at times, entertaining. I won't give too much away, but the letter Ayden wrote to Grace made me cry. I really do look forward to reading more from this author.

I would recommend this book to anyone who loves reading, or even, wat
