What people Say:

Snow

This story was sweet and predictably romantic.

Brett was now a CEO of his father's company, rich and good looking, far from his young adult years when he was scrawny kid hanging around with the Hamilton bros (there are four of them plus a younger sister) and the rest of the family, when he had non, growing up under the guardianship of his aunt and uncle who didn't do much of the care.

He's a grown man now but he still carries the sense that he's not worthy of love, that

This story was sweet and predictably romantic.

Brett was now a CEO of his father's company, rich and good looking, far from his young adult years when he was scrawny kid hanging around with the Hamilton bros (there are four of them plus a younger sister) and the rest of the family, when he had non, growing up under the guardianship of his aunt and uncle who didn't do much of the care.

He's a grown man now but he still carries the sense that he's not worthy of love, that he's empty and unable to give it either. Untill he's best friend's wedding and reuniting with the Hamilton family again, and Anna, the youngest sister, who isn't that little girl they all had a need to protect while she followed them around in their younger age...

Brett is afraid and reluctant to show more than a friendly affection towards Anna, cause of the code, the oath he gave to his best friend that he'd never touch her...but Anna had carried a strong torch for her brother's best friend for years and she decided it is time to show Brett that she's neither a little girl anymore nor she'd hold her feelings locked up inside any longer.

The physical sparks between them, only unleash the pent up emotions burried under the notion of friendship and the doubts and insecurities of not feeling worthy of her, trouble Brett even more, as he's torn within, between the bursting of the unnamed feelings and the code he needs to honor of her being off limits.

Enter four way overprotective brothers, a misunderstanding in communication and little bit dose of doubt and you have an angsty clash of them spewing words neither of them mean...just so they could clear it all up and end it all in a fulfilled HEA.

3 stars

The CEO's Seduction was a good read.

I enjoyed watching the relationship unfold between Anna and Brett, they had a strong connection and their chemistry was amazing.

Why then only 3 stars? Anna's brothers...

Damn those guys drove me crazy with their antics and overbearing protectiveness. It was just too much and it did affect my overall enjoyment :(

Overall, The CEO's Seduction was a good read and a nice start to the Hamilton Family series. Looking forward to the next book.

ARC NetGalley for honest review.

2.5 Rating.

Anna's has loved Brett forever. He's best friends with her brothers and is back in town to attend one of her brothers wedding. Brett had a terrible past that has left him guarded and unwilling/unable to commit. He's been warned by Anna's brothers to stay away from her as everyone knows, including Brett, that she has feeling for him.

But Anna is determined now that he's back in town that she's now going get his attention. Brett and Anna's back and forth,

2.5 Rating.

Anna's has loved Brett forever. He's best friends with her brothers and is back in town to attend one of her brothers wedding. Brett had a terrible past that has left him guarded and unwilling/unable to commit. He's been warned by Anna's brothers to stay away from her as everyone knows, including Brett, that she has feeling for him.

But Anna is determined now that he's back in town that she's now going get his attention. Brett and Anna's back and forth, the interaction with the brothers and their behavior was immature at times. I found there actions and repetitive dialogue to hinder the flow and progress of the storyline.

The premise was good but found the execution and characters to be somewhat flawed.

Carmen Rae

So what's a girl to do when she has a dozen books she has to read and two thousand on her to read shelf? Well read a random one who's excerpt caught her attention of course.

And this book was good it just wasn't what I was expecting from the excerpt. The thing was I really enjoyed the characters and I didn't mind the story I just got frustrated by the fact he took so long to man up and he let stupid shit get in his way for-fucking-ever. I mean seriously what do I have to do to get a little cavema

So what's a girl to do when she has a dozen books she has to read and two thousand on her to read shelf? Well read a random one who's excerpt caught her attention of course.

And this book was good it just wasn't what I was expecting from the excerpt. The thing was I really enjoyed the characters and I didn't mind the story I just got frustrated by the fact he took so long to man up and he let stupid shit get in his way for-fucking-ever. I mean seriously what do I have to do to get a little caveman alpha thing happening?

So this is parked in the solid 3.5 star range.

This is the first novel in the Hamilton family series and, quite simply, I loved it! It tells the story of Anna Hamilton who has loved her brother's best friend, Brett Ross, for years and what happened when he returned to his home town for the wedding of his friend, her brother. It is years since he's returned to his home town or seen Anna but when they see each other again the chemistry is still explosive. However, he promised her brother to leave Anna alone and he's reluctant to break the bro

This is the first novel in the Hamilton family series and, quite simply, I loved it! It tells the story of Anna Hamilton who has loved her brother's best friend, Brett Ross, for years and what happened when he returned to his home town for the wedding of his friend, her brother. It is years since he's returned to his home town or seen Anna but when they see each other again the chemistry is still explosive. However, he promised her brother to leave Anna alone and he's reluctant to break the bro code - but Anna has other ideas and they're definitely ones her brothers, Eric, Wyatt, Cole and Chris, won't approve!

As details of Brett's childhood are revealed, you just have to feel for him! He's built himself a fortress around his heart, determined to protect it and never let love in because love hurts. Anna, however, won't let him do this and she's just the one to scale and break down those walls - but only if she can escape the scrutiny and protection of her older brothers! This is a poignant, moving story - with some laugh out loud moments along the way. I thoroughly enjoyed it and have no hesitation whatsoever in highly recommending it to anyone who enjoys family based romances. I can't wait to read more in this series and see how Anna's other brothers succumb to love!

Many thanks to the publishers for gifting me an ARC of this novel via NetGalley.
