Filled with humor, romance, family, and love. This one is not to be missed...

Honestly, this was one fabulous little book. It was well written. The plot flowed nicely. It had smoking hot sex scenes. A very likable hero. An amazing cast of secondary characters. All in all, this SHOULD have been a 5-star read for me.

Alas, the heroine drove me NUTS for the first half of the book. I am VERY picky about my heroines and I am not crazy about aggressive and hard, and seemingly selfish ones. I literally wanted to reach into the book and take that phone and shove it up her @ss. That said, she does soften up A LOT in the second half and that saved her character for me. Just not enough to push this into territory.

Other than that small foible this was a really enjoyable read. I'm looking forward to reading the other brothers books. So two big thumbs up for yours truly.

Standalone (Book 2 within the Bad Boys After Dark series)

I'm in love with the way that Melissa Foster writes. I'm still kicking myself over how long it took me to discover her work! I have fallen for every one of her male characters that I've read so far and Dylan was no different. He was strong yet vulnerable, cocky and considerate, fun-loving and compassionate, and did I ment

Tiffany Winters is the exact opposite of the women Dylan Bad normally pursues. She's focused on building her business and has no time for a relationship. Her pursuit is to become the top sports agent in New York; not succumb to the charms of the sexy as sin bar owner who hits on her.

What happens when a sexy bar owner with a thing for submissive women falls hard for a controlling man-eater? Youâ€™ll have to read it to find out!

There are a few things I can always count on from Melissa Foster: excel

There are a few things I can always count on from Melissa Foster: excellent writing, a sexy hero,

steamy romance, and fantastic secondary characters. She delivered all that and more in the 2nd installment of her Bad Billionaires After Dark series. The story is engaging, funny, sexy, and emotional. I've read a LOT of books by this author and really enjoyed them all, but I've never loved a hero this much.

Dylan is definitely BBF material.

"As he sent her a good-night text "You're my ten, summer girl. Sweet dreams" he knew that even if Winters suited her just fine at the moment, she'd always be his summer girl."

He's sexy, sweet, sends good night texts, and even has the perfect nickname for Tiffany Winters. She's his summer girl. SWOON!

As for Tiffany Winters, she wasn't my favorite M.F. heroine. She's a tad too hard and controlling for me. When we first meet her, she's glued to her cellphone and described as "a cutthroat negotiator who ate men for breakfast". Not only does she not believe in relationships; she solely wants to focus on work. Don't get me wrong, I'm all for strong women handling their business. A woman striving to be the best at her chosen profession (I'm one of them) is admirable; but Tiffany is a bit OTT in her pursuit to become the top sports agent in New York. Thankfully, the reader gets more insight into her life as the book progresses. After that I understood what caused her drive. Again, nod to the excellent writing and fantastic character development. It really made the difference for me. As I began to understand Tiffany's character more, she slowly began to grow on me. Eventually she mellows out and allows herself to love.

Melissa Foster serves up another sexy and swoon worthy read in her latest novel, Bad Boys After Dark: Dylan. Packed with emotion, and some of the best sex scenes that I have encountered in a while, this is a book that should not be missed! The author is a pro at writing romances and this is shown through the emotions that emit from her stories, and the loveable and realness within each and every one of her characters. Gah!! I honestly

The author is a pro at writing romances and this is shown through the emotions that emit from her stories, and the loveable and realness within each and every one of her characters. Gah!! I honestly cannot say enough good things about this story and I think all readers should give it a try!!! I am hopelessly falling in love with the authors work after each story I read. Everything about it is a winner!!
