What people Say:

J *deep in the heart of Texas*

I really like this series. Skipped book 2 as it wasn't calling to me and some of the reviews had me a little worried. Plus after meeting Jude in book 1 I've been wanting to read his story.

All of these can be read as standalones IMO, even though there's some character cross-over.

These are very easy reads. Low angst. At times a little cheesy (though I didn't think this one had as many cheesy lines as book 1). Very sweet. Nice steam.

This one has a stalker-ish storyline but honestly it wa

These are very easy reads. Low angst. At times a little cheesy (though I didn't think this one had as many cheesy lines as book 1). Very sweet. Nice steam.

This one has a stalker-ish storyline but honestly it wasn't overdone and wasn't the sole focus. It was more about Jude and Derek falling in love and being in the closet. The stalker bit shows up here and there.

There's lots more gay Marian boys so I'm excited to see who's next and I really hope it's Griff!

Gigi

I started off liking this one even more than Borrowing Blue, but just like BB, this one dragged at about 60%. A lot of the sex was fade-to-black at that point and I'm pretty sure there was only one more steamy sex scene after that.

Jude turned out to be one of those sweet, charitable men with a heart made of gold, which I dearly love, and there was a promise of healing/comfort, but it never happened.

The sex during the first half was smutty and dirty and super fun to read. Stars for first half: 4

The sex during the first half was smutty and dirty and super fun to read. Stars for first half: 4.5, stars for second half: 2.5. Book as it stands,

I can still recommend this one to my fellow smut-lovers!

Wendy

This is the third book in this series and I enjoyed it more than book 2, though not as much as book 1, which is still my favorite.

Jude is a famous country singer and he has been deep in the closet for his whole life. His last relationship was 6 years ago and he has been celibate ever since, because he's too afraid someone will out him....being famous and all. The only one who knows that he's gay is his brother Blue and his ex boyfriend. Jude is also very lonely.

When Derek enters Jude's life as

Jude is a famous country singer and he has been deep in the closet for his whole life. His last relationship was 6 years ago and he has been celibate ever since, because he's too afraid someone will out him....being famous and all. The only one who knows that he's gay is his brother Blue and his ex boyfriend. Jude is also very lonely.

When Derek enters Jude's life as his new bodyguard, things get even harder (

What Jude doesn't know is that Derek is also gay and he's hiding even deeper in the closet than Jude.

A sudden threat from Jude's ex boyfriend, makes things very clear between the two of them and they start jumping each others bones....in secret ofcourse. These two were very hot together.

After a while though, Jude doesn't want to hide anymore. He knows his family will stand by him and he just wants to be himself. Problem is...Derek is not ready to leave the safety of his closet.

Derek pissed me off a bit. He was ready to let the love of his life go, because he didn't want to upset his family. I would have understood his reasoning better, if he would have been close with his family...but he wasn't. The only person who actually gave a shit about Derek was Jude. So yeah...

Christelle

3.5 stars rounded down to 3 stars, because I didn't like it as much as book 1 and was expecting a plot more thrilling, because a quiet star and a bodyguard !!

As for book 1, it was sweet, low-angst, with plenty of banter, a lot of hot moments and the crazy family is still there. Another enjoyable read.

Denise H.

Oh my, my ! I loved this addition to the series !

Derek and Jude are spectacular together ! We get amazingly hot, sizzling sex scenes, and heartwarming true love.

Superstar Country Singer, Jude's life

requires a lot of security. That's where Derek, with his huge muscles, 6'6" frame, ex-Marine comes in, as Jude's new bodyguard.

The men have instant chemistry, snarky banter, and sassiness. There a a few people trying to get to Jude, including an ex from 6 years ago, but Derek keeps him safe

Superstar Country Singer, Jude's life

requires a lot of security. That's where Derek, with his huge muscles, 6'6" frame, ex-Marine comes in, as Jude's new bodyguard.

The men have instant chemistry, snarky banter, and sassiness. There a a few people trying to get to Jude, including an ex from 6 years ago, but Derek keeps him safe on tour and at home on break, when Jude sees his family. We have loved the big Marian clan previously, and here again they shine. When the ex shows up, it shakes Jude. Derek wants nothing more than to hold Jude close and comfort him. They each get their wish when a kiss turns into an explosion of want, need passion and deep emotion.
