Have just finished reading Bridget Jones's Diary: The Edge of Reason, aka BJD 2: THE DARCY STRIKES BACK. Still working out feelings re: sequel, as original was pure perfection, part of identity, Pride & Prejudice-related (so obviously superior to almost all other works of fiction), etc. Am having trouble reckoning feelings for this novel, as trainwreck of a movie is hanging over head in manner of pinata filled with poo or old, stinky cheeses.

Shall not dwell on turd of a movie, however, flawed as it is, because love the lovely book! Like Bridget Jones's Diary, sequel is based on Jane Austen novel, this time Persuasion. Had not read Persuasion until several years ago and ended up liking just as much (if not more? blasphemy!) as P&P. Naturally, Persuasion suffers from clear lack of Darcy, however Wentworth equally swoon-worthy, also Anne Elliot is obvious patron saint of Singletons everywhere, having been declared old spinster at virginal age of 27.

Our little Bridget is still struggling with job, money, romance, family (overbearing mother, drunken father), blah dee blah LIFE in usual ridiculous and fun manner. All old friends are back, including urban family (Jude, Shazzer, Tom), Marrieds (Smug and Otherwise), insane boss Richard Finch, delightful mess Daniel Cleaver, and of course Mark Darcy, with whom Bridget is now deeply in love. New characters join Bridget's world in form of odious Rebecca, a jellyfish (aka frenemy) on the prowl for Bridget's boyfriend, and friend Magda's adorable moppets, created to make Bridget look alternately crazy and competent.

Do wish that book had not included any romantic turmoil for Bridget and Mark Darcy, however realize that there would have been conspicuous lack of plot otherwise. Could not even bring self to get worked up over ridiculousness of certain plotlines (Thai prison, hole in side of flat, stinky fish left in purse for weeks, what-have-you) because of love for all things Bridget and Darcy, also because of equally important happy ending (spoilers)! Suppose am typical girl that way, heart going all aflutter at any mention of Jones-Darcy reconciliation, evidence of Darcy-still-in-love, etc.

Recommend this book for all who enjoyed Bridget Jones's Diary, or like well-done chick lit (still hate that hateful phrase, should stop using immediately) in general. Especially worth reading for special treat in sequel (as all sequels must one-up original) in form of Colin Firth (aka THE Mr. Darcy) being interviewed by Bridget Jones, which unfolds exactly as one would expect.

In short, sequel is v.g.

## Suzanne

The Colin Firth interview is hilarious! You just want to scream at Bridget to shut up and stop putting her foot in every time she opens her mouth! Just as wonderful as the first book!

## Lisa

This book should be retitled as Bridget Jones: The Unnecessary Sequel. Bridget returns as the hapless and can't-get-it-together heroine with plenty of love, work and weight troubles. The first book has a happy ending and I thought that was the end of it. Since it's so successful, of course the author cannot resist conjuring contrived plot lines for Bridget's second adventure.

Bridget came across as charming and endearing in the first book but here she becomes annoying and irritating. I (or the r

This book should be retitled as Bridget Jones: The Unnecessary Sequel. Bridget returns as the hapless and can't-get-it-together heroine with plenty of love, work and weight troubles. The first book has a happy ending and I thought that was the end of it. Since it's so successful, of course the author cannot resist conjuring contrived plot lines for Bridget's second adventure.

Bridget came across as charming and endearing in the first book but here she becomes annoying and irritating. I (or the readers) love her in the first book because Bridget is not flawless. This makes

her a very accessible character. However, the contrived plot lines of this book has managed to create a gratingly stupid Bridget which I cannot empathise with anymore.

This is what happens when authors go on beyond the 'happily ever after' last line.

Sunday 26 January

6 pm. My Bed. Writing critic on Goodreads Hurrah! Just finished quite good book. Will call friends and discuss about it. Now everyone can see how smart I am! Will write fantastic critic, one that will make everyone follow me, adore me, etc. Will be invited to review more books and will write for famous newspaper (Guardian or Times).

Yes, will write not only funny review but insightful.

Should have a little wine for to start creativity flowing.

6.01 Will go to shop and buy Silk Cu
