I read this every year at Christmas, and I always will do. Simply because of the atmosphere it evokes. This story is Christmas as far as I'm concerned. It wouldn't be the same without it. It is perfectly festive and is also appropriately didactic. It is an allegory for what happens to those that are unnecessarily bitter and twisted, refusing to take part in a joyful occasion. It is a glimpse at what could happen to someone who rejects their family upon trivial grounds, and lets themselves be se

I read this every year at Christmas, and I always will do. Simply because of the atmosphere it evokes. This story is Christmas as far as I'm concerned. It wouldn't be the same without it. It is perfectly festive and is also appropriately didactic. It is an allegory for what happens to those that are unnecessarily bitter and twisted, refusing to take part in a joyful occasion. It is a glimpse at what could happen to someone who rejects their family upon trivial grounds, and lets themselves be set apart. It is also a suggestion that one shouldn't be so concerned with money. Money isn't everything; it certainly didn't buy ol' Scrooge happiness. But, Christmas did and will do so again.

Lola Reviewer

I shall start by introducing you to Ebenezer Scrooge. According to the narrator, the cold-hearted,

unholy and inconsiderate man we have as main character.

While he is described as such:

I shall start by introducing you to Ebenezer Scrooge. According to the narrator, the cold-hearted, unholy and inconsiderate man we have as main character.

While he is described as such:

Part of me was surprisingly not negatively thinking about the old man. Some despised him, but I couldn't do such a thing, because he may have said hurtful things to people, but it's not like he ruined someone's life.

He has some good in him, and I could see it from the start somehow. Now I am not sure if this is all coming from my having viewed the movie prior to reading this, if that's the reason why I became attached to him and empathized with him, because of everything he went through but, one thing I know is that I never "hated" Scrooge.

Don't worry if you're not too fond of him at first. He does, as you surely know already, have a fantastic and noticeable character development!

See, I was sure there was good in him! *wink* *wink*

This may sound quite strange to you, maybe, but I didn't find an even, adequate and well-fitting atmosphere in this book. Sure, most scenes were sad or merry or eerie but it's like, in my point of view, the author neglected it and concentrated more on the writing and characterization "for those elements to be outstanding (and they were!) " than the story itself.

Tiny Tim "especially him " Scrooge and Fred are people that will be carefully buried inside my mind and will rest there for as long as I will cherish them, which is forever.

It's a family tradition to read A Christmas Carol (original, unabridged) aloud each Christmas season and then to watch at least one film version on Christmas Eve (this year it was the Muppets' Christmas Carol - very authentic - with Michael Caine).

Over the years, we have discussed the 19th century slang and customs enough so that the reading is becoming smoother and smoother without much need for editorial asides. This year we focused on favorite phrases "Marley was dead, to begin with." "the m

and then to watch at least one film version on Christmas Eve (this year it was the Muppets' Christmas Carol - very authentic - with Michael Caine).

Over the years, we have discussed the 19th century slang and customs enough so that the reading is becoming smoother and smoother without much need for editorial asides. This year we focused on favorite phrases "Marley was dead, to begin with." "the misanthropic ice", "solitary as an oyster", "Come in and know me better, man!" and we talked about Charles Dickens as the rock star of the mid-1800's. It is such a wonderful, timeless story and by re-reading it every year we become better and better acquainted with the characters. We continue to marvel at Dickens' powers of description and treasure the multitude of secondary characters like Topper, the plump sister, Mr. and Mrs. Fezziwig, the little Cratchits and more. I can't wait to read it again!

When I think of Christmas and all those things that make Christmas so special,

immediately comes to mind right along with family, friends, beautiful Christmas trees, Mom's anise cut-out cookies, brilliant holiday light displays, gently falling snow, festive instrumental and choral concerts, midnight mass, and angel trees.

truly is a timeless classic and a beloved tradition, whether you see the movie or read the book. The blessing of this treasure is that you d

When I think of Christmas and all those things that make Christmas so special,

immediately comes to mind right along with family, friends, beautiful Christmas trees, Mom's anise cut-out cookies, brilliant holiday light displays, gently falling snow, festive instrumental and choral concerts, midnight mass, and angel trees.

truly is a timeless classic and a beloved tradition, whether you see the movie or read the book. The

blessing of this treasure is that you don't have to celebrate Christmas to enjoy and appreciate this novella. The message is there for anyone that celebrates life and family and giving to others, those who want to examine their life and make the most of it and share it with others. Furthermore, it's a winner all the way around " aside from the powerful message, we are also rewarded with a wonderfully written and atmospheric story. So, if you have a morsel of time you can spare in the next couple of days, treat yourself to a well-deserved break and grab a copy of this book. As you journey into those Christmases of Past, Present, and Future with Ebenezer Scrooge, your heart will feel lighter and your spirit revived as you hopefully gear up for not simply the chaos of the holidays but also the gifts of love, fellowship and gratitude.

I wish for joy and peace for each and every one of you this holiday season and the coming year.
