You gave my book two stars?

Yes, it was boring and too political. Who wants a bunch of boring politics?

I couldn't take it anymore...and I've always been your fangirl.

Don't make me give you the Batglare...you aren't a whiny ass

Quit whining..Two stars from me is pretty good.

When I was growing up, comic books (this was years before 'graphic novels') were frowned upon in my household, but I was addicted to them anyway. X-Men, to be precise, because, OMG, Jean Grey was smart and tough (at least until Dark Phoenix) AND had both Scott Summers and Wolverine in love with her. (I do love a good soap.) Batman was a joke back then, thanks to that moronic TV show. But Batman, the real Dark Knight, wasn't a joke--if Superman is who America yearns to be;

X-Men, to be precise, because, OMG, Jean Grey was smart and tough (at least until Dark Phoenix) AND had both Scott Summers and Wolverine in love with her. (I do love a good soap.) Batman was a joke back then, thanks to that moronic TV show. But Batman, the real Dark Knight, wasn't a joke--if Superman is who America yearns to be; Batman is who we're afraid we are.

In 1986, Frank Miller (Sin City) blew all of the camp out of the water and reclaimed a bit of popular culture by writing a stunning Batman and, not so incidentally, a picture-perfect example of why graphic novels aren't for kids. The artwork is fabulous, the characters are crisp and complex. It's not just the original Dark Knight, it's who that character evolved into. Dark, twisted, bitter, but still fighting to make things better. The movie Batman Begins never would have been made without this Dark Knight. Your library probably has a copy of this; check it out.

Don't expect it to be like the old cartoons.

Definitely not like the Adam West Batman from the 60s.

Not the Justice League of America.

Batman and Superman are hardly on speaking terms. The governments have passed laws against vigilante super heroes so most of them are in prison or banished, or, like Superman, secretly working for the government.

Batman, after a series of traumatic incidents, has not been seen in the last ten years. The Joker and Two Face are both in psycho wards.
